EASTERN INTERNATIONAL COLLEGE

NURSING DEPARTMENT

Professor Dario and 3 nursing students (Rhiza Gavino, Clarisse Baltazar, & Sweetie Stinson) collaborated with Clara Maass in volunteering at a community church center in Newark on Saturday 1/21/2023. The team of students and Clara Maass provided free blood pressure and blood glucose screenings to over 100 participants. Overall, it was a wonderful in-service learning opportunity for EIC nursing students because they were able to give back to the community and foster stronger relations with Clara Maass.

DENTAL HYGIENE DEPARTMENT

Give kids a Smile Day!
