THE FLORENCE NIGHTINGALE PLEDGE

In full knowledge of the obligations I am undertaking, I promise to care for the sick with all of the skill and understanding that I possess without regard to race, color, creed, politics, or social status. I will spare no effort to preserve quality of life, alleviate suffering, and promote health as affirmed by the person. I will respect at all times the dignity and beliefs of the patients under my care, hold in confidence all personal information entrusted to me, and refrain from any action that may endanger life or health. I will maintain my professional knowledge and skills at the highest level and provide loyal support and cooperation to all members of the healthcare team. I will do my utmost to honor the International Code of Ethics applied to nursing and to uphold the integrity of the profession.

Dear 2026 Graduates,

The Nursing Class of 2026 would like to extend our sincere thanks to the administration and faculty of Eastern International College.

We would also like to thank all of our families and friends who have supported us and shared this special day with us as we enter into the Nursing Profession.

We wish you continued success as you transition into the workforce.
