## **BACHELOR OF SCIENCE IN HEALTH LEADERSHIP COMPLETION PROGRAM**

### **PROGRAM OUTLINE:**

The Bachelor of Science in Health Leadership Completion Program is designed for allied health professionals who have completed Associate Degrees in any allied health field or health-related programs. It is intended for those who desire career advancement in healthcare related jobs and wish to assume positions of leadership. The HL program teaches students theoretical knowledge and skills to compete beyond entry-level positions in the field. Students complete 30 quarter credits of upper division General Education courses and 60 quarter credits of major courses.

Eastern International College is committed to the educational and professional enrichment of each student. The curriculum and environment provide an atmosphere in which students can develop, excel, and form a positive self-image. The college takes pride in enhancing basic science, clinical, leadership, management, and the technical skills in addition to preparing students for the workplace.
