Eastern International College

BACHELOR OF SCIENCE IN NURSING (BSN)

GENERIC / PRE-LICENSURE PROGRAM

PROGRAM OUTLINE:

Eastern International college's BSN degree program prepares graduates to assume nursing positions in a variety of settings within the health care delivery system and to provide nursing care collaboratively with other health care professionals. Students will acquire advanced clinical, research, and leadership skills, including case management methodology, and master complex community nurse skills.

The BSN graduate, highly sought after in the profession, will be competent in providing cooperative supervisory leadership within a healthcare team.

The BSN Curriculum consists of 57 semester credits of General Education coursers and 63 semester credits of major nursing courses. The program is approved by the New Jersey Board of Nursing and prepares students to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN)

COLLEGE PHILOSOPHY:

Eastern International College is committed to the educational and professional enrichment of each student. The curriculum and environment provide an atmosphere in which students can develop, excel, and form a positive self-image. The college takes pride in enhancing basic science, clinical, leadership, management, and technical skills in addition to preparing students for the workplace.
